OVERVIEW

Students participating in this program will have the opportunity to be taught by both Texas A&M and the **University of Perpignan** (Centre Universitaire d'Etudes Françaises/The CUEF) faculty during this faculty-led/transfer credit hybrid program. CUEF courses are taught by native French speakers, giving participants further exposure to French language and culture. Visiting and living with host families in the target country is the best way to learn about the culture and practice the language.
