TEMPLATE FOR SME REQUEST EMAILS

Howdy Dr. [Name],

I am planning to study abroad in TERM YEAR (Example: Summer 2024). Part of my Education Abroad application is the Pre-Approval Form for Transfer Credit (PAFTC), which requires Subject Matter Expert (SME) approval of all listed courses. I would like to request your review and determination as SME for the below course(s), for which I've attached the full syllabus and my form.

- COURSE PREFIX AND TITLE (Example: CLAS 3901: Classical Theories in Greek Literature)

Please complete all columns indicated for the SME if you determine the course has a direct equivalent or is otherwise acceptable for certain rules or degree areas. If you do not believe this course is acceptable, and/or you need more information, please let me know as soon as possible so I may address these issues.

Thank you for your time!
