

**2+2 Articulation Agreement
between
McLennan Community College and TAMU Biomedical Sciences**

This agreement serves to facilitate the admission and academic transfer of students from McLennan Community College to the Biomedical Sciences program (BIMS) in the Texas A&M University College of Veterinary Medicine and Biomedical Sciences. As students successfully progress toward the completion of the Associate of Science degree, this agreement will ensure the seamless transition of students into the BIMS program according to the provisions and conditions below:

1. McLennan Community College students who complete the attached degree plan, as full time students will be admitted to the BIMS program automatically, provided: they meet all other general admission requirements (i.e., transcripts, applications, time lines, deadline dates, etc.) for transfer admission to Texas A&M University.
2. Students must have maintained no less than a cumulative 3.4 GPA in the courses taken at McLennan Community College and be eligible for graduation from Northeast Texas Community College.
3. Students must not have made any grade below a "B" in all of their Common Body of Knowledge (CBK) science and math course work.
4. This agreement will be reviewed on an annual basis and may be amended by mutual written consent of both parties by issuing an addendum to this agreement.
5. This agreement will commence effective the Fall 2014 semester with commitment of a five (5) year period.

EXECUTED in TWO (2) original counterparts on this _____ day of _____, 2014.

2 + 2 Articulation Agreement

Biomedical Sciences Program

(Associate of Science)

Faculty Director for this program is- _____

McLennan Community College and Texas A&M University at College Station have entered into an articulation agreement to provide a seamless transition for students who complete the Associate of Science Degree in Biomedical Science at MCC into a Bachelor of Science Degree in Biomedical Sciences at Texas A&M University, College Station. MCC students are required to complete the approved A.S. in Biomedical Science degree plan with a 3.4 GPA and no grade below “B” in science or math courses in order to facilitate admission as a junior in the Biomedical Sciences program at TAMU.

Biomedical Science is the broad field of applied biology related to health and disease. Biomedical Sciences baccalaureate graduates are primed to enter such professional schools as human medicine, veterinary medicine, dentistry, osteopathy, podiatry, optometry, pharmacy, and law just to name a few.

First Year

First Semester		Credits
Engl 1301	Composition-Rhetoric	3
Biol 1306/1106	Majors Biology I	4
Hist 1301	US History to 1877	3
Chem 1311/1111	General Chemistry	4
Total Credits		14

Second Semester

Biol 1307/1107	Majors Biology II	4
Engl 1302	Composition-Rhetoric	3
Hist 1302	US History since 1877	3
Chem 1312/1112	General Chemistry II	4
Math 2413	Analytic Geometry and Calculus I	4
Total Credits		18

Second Year

First Semester

Govt 2305	US Government	3
Chem 2323/2123	Organic Chemistry I	4
Social/Behavioral	Science Elective (Take at A&M-Reverse Transfer)	0
Phys 1301/1101	College Physics I	4
Language, Philosophy, and Culture Elective (Take at A&M-Reverse Transfer)		0
Math 2414	Analytic Geometry and Calculus 2	4
	Total Credits	15

Second Semester

Govt 2306	State and Local Government	3
Chem 2325/2125	Organic Chemistry II	4
Creative Arts	Elective	3
Phys 1302/1102	College Physics II	4
	Total Credits	14
	Grand Total	61
