(2015, April). *Gender Differences in Depression and Anxiety in College Students with Asthma*. Poster presented at the Society of Pediatric Psychology Annual Conference, San Diego, CA.

- 2019- Present **Challenging Health disparities in Adolescents & Nurturing Global Empowerment (CHANGE) LAB**
Department of Psychological and Brain Sciences, Clinical Program
Texas A&M University
Responsibilities: Project coordination; project management; conduct analysis of data; manuscript preparation; website development and management; grant support activity; completion of IRB applications
Role: Graduate Research Assistant
Faculty Mentor: Idia Thurston, Ph.D.
- 2017- 2019 **Neurobehavioral Development Research Lab**
Clinical Child Psychology Program
University of Kansas
Responsibilities: Prepared and submitted necessary documents to the Institutional Review Board (IRB); led participant recruitment; scheduling and coordinated participant visits; performed clinical assessments; data entry and analysis; conducted practice and real functional MRI scans with individuals with autism spectrum disorder (ASD) ages 10-35 years
Role: Lead Clinical Research Coordinator
Faculty Mentor: Matthew Mosconi, Ph.D.
- 2015- 2017 **Youth with Problematic Sexual Behaviors Lab**
Department of Pediatrics
University of Oklahoma Health Sciences Center
Responsibilities: Responsible for collecting and organizing articles as part of an ongoing meta-analysis of child sexual abuse; helped with entering, reviewing, filing, and organizing a battery of clinical assessments collected from the school age problematic sexual behavior treatment program
Role: Undergraduate Research Assistant
Faculty Mentor: Jane Silovsky, Ph.D.
- 2014- 2016 **Pediatric Health Psychology Lab**
Department of Psychology
Oklahoma State University
Responsibilities: Assisted in data analysis; performed literature review to assist in development of manuscript; organized packets for families that include consent forms, questionnaires, and measures; recruited pediatric cancer patients for the study at OU Children's Hospital; assisted parents and children in understanding of the study
Role: Undergraduate Research Assistant
Faculty Mentor: Larry Mullins, Ph.D.
- 2014- 2016 **Child Maltreatment Lab**
Department of Psychology
Oklahoma State University
Responsibilities: Transcribed interviews for qualitative data; verified transcription reliability; maintained interrater reliability
Role: Undergraduate Research Volunteer
Faculty Mentor: Lana Beasley, Ph.D.

CLINICAL EXPERIENCES**FORMAL PRACTICA AND PREDOCTORAL TRAINING**

- 2021- Present **Practicum Student, OCD and Anxiety Program**, Baylor College of Medicine
Setting: Multidisciplinary clinic in a hospital for outpatient psychotherapy for children and adults providing evidence-based individual therapy services to adults presenting with OCD, OC-related disorders, and/or anxiety disorders.
Responsibilities: Provide individual therapy for a clinical research trial for parents of children and adolescents with anxiety and/or OCD; Participate in didactic trainings; Maintain psychotherapy notes; Conducted inter-therapist reliability fidelity checks of therapy sessions
Supervisors: Eric Storch, Ph.D., Amanda Palo, Ph.D.
- 2020- Present **Practicum Evaluator, Psychology Clinic**, Texas A&M University
Setting: A university-based outpatient training clinic providing mental health services for children, adolescents, and adults from the community.
Duties: Administer and score assessment materials; Write integrated reports for college students, police officer candidates, child, adult referrals from the community; Communicate assessment results and recommendations to clients; Assessments included ADHD, learning disability, comprehensive psychological exams, autism assessments, and police pre-employment evaluations; Conduct service eligibility endorsements and testing for intellectually and developmentally disabled clients; Participate in weekly supervision meetings that addressed a variety of assessment issues such as potential sources of presenting problems, differential diagnoses, instrument selection, and order administration based on each client's needs
Supervisors: Laura Osbourne, Ph.D., Robert Heffer, Ph.D., Leslie Morey, Ph.D.
- 2021 - Present **Graduate Clinician, Psychological Services Center**, Texas A&M University
Setting: A university-based outpatient training clinic providing mental health services for children, adolescents, and adults from the community and university.
Responsibilities: Conduct individual adult, child, family therapy with diverse clients from the community; Utilized empirically supported treatments including dialectical behavior therapy, interpersonal therapy, cognitive-behavior therapy, assertiveness training, and client-centered therapy to address mood disorders, anxiety disorders, ADHD, and autism; primarily served diverse low-income clients and university students from local communities; provided services for an average of five individual clients on a weekly basis and participated in weekly supervision and collaboration; provided in-person and telehealth services
Supervisor: Mary Meager, Ph.D., Robert Heffer, Ph.D., Douglas Snyder, Ph.D.
- 2020 - 2021 **Clinic Coordinator, Psychological Services Center**, Texas A&M University
Setting: A university-based outpatient training clinic providing mental health services and assessments for children, adolescents, and adults from the community.
Responsibilities: Conduct intake interviews and assign cases to therapists; Attend weekly clinic meetings; Conduct quarterly analysis on all therapy and assessment files to ensure consistency
Supervisor: Robert Heffer, Ph.D.

OTHER CLINICAL EXPERIENCES

- 2016 - 2017 **Iowa Vocational Rehabilitation, Rehabilitation Assistant**
 Cedar Rapids, IA
Responsibilities: Collaborated with school staff and vocational counselor to prepare curriculum for high school students receiving IEPs; conducted intakes; helped clients find and apply for summer jobs; provided guidance for clients completing career assessments; assisted clients with college searches
Supervisor: Holly Mateer
- Spring 2016 **Problematic Sexual Behavior Cognitive Behavioral Therapy, Assistant**
 University of Oklahoma Health Sciences Center
Responsibilities: Assisted with group therapy for siblings with problematic sexual behaviors; taught behavioral management and social skills to children with history of abuse; collaborated with team following sessions to formulate plan for each client; prepared curriculum for weekly group sessions
Supervisor: Jane Silovsky, Ph.D.
- Fall 2015 **Center for Family Services, Intern**
 Oklahoma State University
Responsibilities: Conducted intakes with potential new clients; observed weekly therapy sessions; scored and entered measures; managed daily administrative tasks
Supervisor: Matt Brosi, Ph.D.
- Summer 2015 **First Call Alcohol/Drug Prevention & Recovery, Intern**
 Kansas City, MO
Responsibilities: Interacted with various members of the community to meet community needs; prepared curriculum for at risk youth in community weekly; assisted in facilitating trauma focus therapy group for young children
Supervisor: Angela Circo, Ph.D.
