Pick which statement applies to this contract

____ I am a Neuroscience major, and I am working with a Neuroscience faculty member. I understand that: Neuroscience majors who work in Neuroscience labs can apply 491 credit hours to their Supporting Coursework or General Electives. If there is no room in either of those areas, 491 credit will go to the Work Not Applied area.

____ I am a Neuroscience major, and I am **NOT** working with a Neuroscience faculty member. I understand that: Neuroscience majors who work in **non-Neuroscience** labs can ONLY apply 491 credit hours to General Electives. If there is no room in General Electives, 491 credit will go to the Work Not Applied area.
