TBA

APR 24

To Be Announced.

DR. CARLA GOAR, DR. BIANCA MANAGO & ED HASKIN, M.S.

MAY 1

Each of these presenters are former A&M students and will be presenting a talk entitled "Life After an A&M Degree? What a few former students think A&M students should know." Dr. Carla Goar is an Associate Professor at Kent State University; her research areas include race and ethnic relations and social psychology. Dr. Bianca Manago is an Assistant Professor at Vanderbilt; her research areas include health (especially mental health), social psychology, and methods. Finally, Ed Haskin works on compliance issues in many venues; for example, he directed US Department of Housing and Urban Development fair housing projects resulting in fair lending settlements totaling \$6.5 billion.
