01	43-44	>q1a<	The purpose of this study is to try to discover in what ways children are similar to, or different from, their parents. This interview is about health, stress, employment, relationships, family, marriage, and the changes that take place over the course of life. I will ask you questions similar to those that were asked of your parents when they were your age.

What is your current marital status? Are you:

- <1> married and living together with your spouse,
- <2> currently married, but living apart from your spouse for reasons other than marital problems,
- <3> separated,
- <4> divorced,
- <5> widowed, or
- <6> have you never married?
